### CORPORATE INTRODUCTION

At KNC Strategic Services, we provide Cybersecurity Professional Services, and we are an IT Value Added Reseller. We exist to help our clients manage their exposure to the everchanging battlefield of Cybersecurity. We help our clients manage three risks: Compliance Risk, Cybersecurity Risk, and IT Systems Risk. We are patriots who know that our country, our government, our military, our utility companies, and government contractors are under constant attack from invisible adversaries. We are a disabled veteran owned small business.

“We help our clients **Fortify and Defend** their Cybersecurity infrastructure.”
